VOL. XXXVI.

STANFORD, KY., FRIDAY, JULY 10, 1903.

NO. 37.

## PREACHERSVILLE.

There will be services at the Baptist church Saturday, Saturday night and Sunday.

Mrs. N. J. Horton has been very sick of heart trouble but is now some better. Mrs. Joe M. Lunsford is much better.

W. F. Parks' grist mill is drawing custom from a long ways, even unto the gates of Crab Orchard. It is hard to keep a good thing down.

Our school started in a most satisfactory manner Tuesday morning with Miss Kate Waters, of Stanford, as teacher. Miss Lucy Massey will teach at the Hobbs school.

We have experienced a severe drouth, its equal not within the memory of our oldest inhabitant, for the month of June. A cloudburst and windstorm on Drake's Creek did lots of damage.

Menefee Elmore, our new merchant, has gotten his storeroom in shape and will soon stock up. Besides general merchandise he will sell ice, run a barber shop, laundry agency and will be one of our busiest business men.

Miss Margaret Brown, of Maretsburg, is the guest of Miss Fannie Thompson. Miss Ruth Durham, of Omaha, is visiting the family of her brother, Tom Durham. Mrs. James I. White and son, Hobart, of Stanford, visited at W. P. White's. Mesdames Fred Shaw, Ben Holtzclaw and J. H. Thompson were guests of Mrs. Cress. Mr. John Anderson and daughter, Mrs. F. F. Cummins, and Miss Eliza Anderson, of Lancaster, visited David Anderson, Sr. James Cummins and wife were guests of his parents here. R. E. Mahan and sister, Miss Lucy, were guests of Rev. Thomas Owens.

## MIDDLEBURG.

A crowded house witnessed the Children's Day exercises at the Christian church at Yosemite Sunday night. The manner in which the children acquitted themselves was highly creditable not only to them but to the teacher, Mrs. Laura Lee, who labored hard in preparing for the occasion.

Dr. J. M. Haney, James Winfrey and Thomas Wheeler attended court at Liberty Monday. Josh Swope, a prospective candidate for circuit clerk of Lincoln, and a jolly old fellow, was awarded the premium for being the handsomest bachelor at Jones' Park Saturday. Stanley McIntosh came over to the picnic Saturday and brought Miss Kate Florence with him. Misses Mollie Good, of Lexington, and Archie Coffey, of McKinney, visited Mrs. R. H. McAninch.

There was a pretty good sized crowd at Jones' Park Saturday and for the most part was on orderly one. The ball game between Hustonville and Middleburg created some excitement and was the occasion of a little "scrap." Middleburg won the game by the score of 6 to 2. Hatter pitched for Middleburg and made the visitors "live hard," striking out 20 men. In fact Hustonville only knocked five fair balls. The other contests created no end of amusement and for the most part were decided satisfactorily to the contestants. Mr. Jones tells us that he came out a little ahead.

Heat prostrates the nerves. In the summer one needs a tonic to off-set the customary hot weather Nerve and Strength depression. You will feel better within 48 hours after beginning to take such a remedy as Dr. Shoop's Restorative. Its prompt action in restoring the weakened nerves is surprising. Of course you won't get entirely strong in a few days, but each day you can actually feel the improvement. That tired, lifeless, spiritless feeling will quickly depart when using the Restorative. Dr. Shoop's Restorative will sharpen a failing appetite; it aids digestion; it will strengthen the weakened kidneys and heart by simply rebuilding the worn-out nerves that these organs depend upon. Test it a few days and be convinced. Sold by Penny's Drug Store.

Two men who know more about the meaning of the word harmony than Webster, who wrote the big book, are J. C. W. Beckham and James B. McCreary. Whenever the delegates here see two men who from their manner might resemble Alphonse and Gaston, they just say "there go McCreary and Beckham, they are from Kentucky."—Denver Cor. Louisville Times.

"Health Coffee" is really the closest Coffee imitation ever yet produced. This clever Coffee Substitute was recently produced by Dr. Shoop of Racine, Wis. Not a grain of real Coffee in it either. Dr. Shoop's Health Coffee is made from pure toasted grains, with malt, nuts, etc. Really it would fool an expert—who might drink it for Coffee. No. 20 or 30 minutes tedious boiling. "Made in a minute" says the doctor. Sold by Penny's Drug Store.

R. H. BRONAUGH,

Secretary of the Crab Orchard Fair & Racing Association, which holds its 1903 meeting beginning Wednesday next, July 15. The success of the Crab Orchard Fair is due no little to the hard work of its efficient secretary. He is not only a good fair official but an exceedingly clever and accommodating gentleman.

## CRAB ORCHARD.

Everything brought extra good prices at Dr. Doores' sale Saturday.

We are thankful for the showers. Farmers are almost through stacking wheat and some are having it threshed. Hay is only half a crop. Hogs are still dying with cholera in this vicinity.

Mr. Stephen Owsley, of Moreland, is the guest of his relative, Mrs. David Street. Vic Edwards is visiting friends at Stroud, Okla. Miss Myrtle Estes, who has been in the employ of J. Bacon & Sons, Louisville, is at home for a short stay. Mrs. Egbert and Miss Anna Hutchinson have been quite sick. Little Birdie McClure is about well of rheumatism. Mrs. Louisa Spratt, of Indianapolis, is with friends here. Mrs. Rebecca Moreland gave an elegant dining this week to a few friends and relatives.

Miss Dora Curtis has returned to Covington after a visit to the family of Henry Newland and others. Misses Bell Pennington and Katherine Middleton were guests of Miss Bertha Lucas in the country. Mrs. Ellen Holmes and Miss Anna Middleton visited Mrs. Will Holdam, who is quite ill. Prof. Sewell, of London, was here recently. Miss Beatrice Bastin is visiting her sister, Mrs. Stigall, at Harriman, Tenn. Mr. Thomas Hill Buchanan, formerly of this place, but now a resident of Louisville, was selected to sing in the choir at the great Sunday School Convention recently held in the Falls City. There were 400 singers under the management of the noted E. O. Excell. The convention was held in the armory, which has the largest seating capacity of any building in the South.

## MATRIMONIAL.

A Chicago woman is suing for her seventh divorce.

Lillian Callahan, daughter of the noted Breathitt feudist, Ed Callahan, was married at Beattyville to Clifton Goss, a prominent young business man.

A. M. Wash, general bookkeeper in the office of Auditor of Public Accounts F. P. James, at Frankfort, and Miss Vivian Morris, of Mercer, were married this week.

Madame Anna Gould and Prince Helle de Sagan were married at a registry office in London. A subsequent ceremony was conducted at a French Protestant church.

Capt. Casey, Quartermaster of the State Guards, stationed in Bracken county, has been served with summons from Bourbon county, notifying him of suit brought for divorce, alimony and custody of his children by his wife.

Mary Soho, a sweetheart of John Dobonac, of Harmony, Pa., from whom he had parted, had him arrested as a bank robber, but in court the girl admitted the charge was trumped up to prevent the man from leaving. A wedding will shortly take place.

Pain will depart in exactly 20 minutes if one of Dr. Shoop's Pink Pain Tablets is taken. Pain anywhere. Remember! Pain always means congestion, blood pressure—nothing else. Headache is blood pressure; toothache is blood pressure on the sensitive nerve. Dr. Shoop's Headache Tablets—also called Pink Pain Tablets—quickly and safely coax this blood pressure away from the pain centers. Painful periods with women get instant relief. 20 Tablets 25c. Sold by Penny's Drug Store.

Williamsburg has decided in favor of a graded school by a vote of 201 to 70.

The last step in the trial of Caleb Powers was taken at Georgetown when the special term of court, called to try Powers, was convened and a pardon from Gov. Willson was produced. The indictment was filed away for good and the case closed. The trials of Taylor and Finley will be called at the next term of court and the Governor will be asked to issue requisitions for them.

The function of the kidneys is to strain out the impurities of the blood which is constantly passing through them. Foley's Kidney Remedy makes the kidneys healthy. They will strain out all waste matter from the blood. Take Foley's Kidney Remedy and it will make you well. Stanford Drug Co.

Who in thunder cares whether Caleb Powers, the whitewashed murderer of Gov. Goebel will or will not persuade some imbecile girl up in Pennsylvania to marry him? If she will keep him up there so we may never see his hated face again, much may be forgiven.—Bowling Green Messenger.

## Cures Gapes Instantly.

BARDSTOWN, KY., May 4, 1903. One drop of R 4-11-44 dropped down the bill of a gaping chicken kills the worms and relieves the chicken instantly. When fed in feed or water it is the best preventive I have ever seen. Will Coomes.

The guilty parties are known and will have the opportunity of explaining the matter at the next term of court.

Prof. James C. McIntyre, of New York, has been engaged by our board of education as principal of the Graded School. A musical bed is the latest for the cure of insomnia. A French inventor has patented one. The sleepless and tired man goes to bed, and with his foot releases a spring which sets a music box in motion. The apparatus begins to grind out lullabies and melodies, and in a short time the patient is snoring peacefully.

## Best The World Affords.

"It gives me unbounded pleasure to recommend Bucklen's Arnica Salve," says J. W. Jenkins, of Chapel Hill, N. C. "I am convinced its best salve the world affords. It cured a felon on my thumb, and it never fails to heal every sore, burn or wound to which it is applied. 25c at Penny's Drug Store."

Capt. Jackson Morris, Assistant Secretary of State, has made the highest score ever made in Kentucky on a rifle range at 800 yards. He scored 49 out of a possible 50 at that distance, putting nine out of ten balls into the bullseye and missing the other only by the fraction of an inch.

## DEMOCRATIC TICKET.

For Congress

### HARVEY HELM

of Lincoln county.

THE six delegates from the Philippine Islands to the Democratic National Convention at Denver, while having the privilege of the floor, are not entitled to vote in the proceedings. The precedent for this disposition of the Philippine delegates was made at the last Democratic National Convention when it was decided that our far Eastern possessions could not be treated as territories of the United States on a par with Porto Rico and Hawaii, whose delegates have the same right in the convention as the delegates from Arizona, New Mexico, Alaska and the District of Columbia.

THE Resolutions Committee of the Democratic Convention at Denver spent the entire day at work upon the platform, and finding that the subcommittee would be unable to finish its task in a reasonable time, it was subdivided and committees of three were named to write individual planks. The tariff plank was submitted and approved. It calls for an immediate reduction of the duties on all necessities of life, on all articles manufactured by trusts, and singles out print paper and wood pulp as articles which should be on the free list.

THE Kentucky delegation at the Democratic National Convention held a harmonious meeting and organized by electing Ollie M. James chairman. Urey Woodson was unanimously chosen National Committeeman. J. C. W. Beckham was put on the Committee on Resolutions; J. B. McCreary on Organization; J. C. C. Mayo on Credentials; W. B. Haldeman on the committee to notify the presidential nominee, and J. T. Griffith on the committee to notify the vice presidential nominee.

THE demonstration at the National Convention when William Jennings Bryan's name was mentioned by Senator Gore broke all records of National conventions for enthusiasm and duration. The cheering lasted for exactly one hour and 26 minutes, full 39 minutes longer than the cheering for Roosevelt at the Republican convention at Chicago.

FRANK HITCHCOCK, former First Assistant Postmaster General and one of the managers for W. H. Taft in the campaign for the nomination for the presidency, was unanimously chosen chairman of the Republican National Committee. A meeting of Taft and his friends was held at Hot Springs, Va.

THERE is nothing new to tell about the great Denver convention save that it is the most enthusiastic gathering of democrats ever gotten together. Bryan will likely be nominated by acclamation but the question of the hour is, who will the candidate for vice-president be?

THE Goebel monument is at last completed and it is hoped that it will not be long until it is placed in position. The monument commission has certainly taken its time in having the monument built.

HURRAH for Ollie James! He was made Bryan's floor manager of the great Denver Convention—an honor worthily bestowed.

MADISONVILLE went "dry." The Courier-Journal won't mention that fact editorially. Mark our prediction.

### McKINNEY.

May the Lord bless us with a good rain.

J. Lee Murphy will leave in about two weeks for San Francisco, where he hopes to rusticate.

E. J. Tanner has received a car-load of cans to be ready for the resumption of operations in the canning factory as soon as the season opens.

The McKinney base ball team will cross bats with the Middleburg team at South Fork on the 18th, at the picnic which will be given there that date.

Ora Gooch has erected a large coal shed just south of the depot and will soon be ready to accommodate all who desire a supply of the black diamond.

J. S. Murphy, our clever miller, has received a car-load of coal and will appreciate a share of the patronage of those needing the bituminous substance.

Miss Anna Dayton was presented with a handsome gold bracelet by the members of the Christian church as an evidence of appreciation of her services as organist during the protracted meeting.

Miss Vella True, who has been visiting relatives here, has returned to her home at Falmouth, much to the regret of the beaux. Miss Cora Nunnelle, of the Turnersville section, was the guest of Misses Ruth Tanner and Lena Beck. Miss Amelia Riffe, who has been very ill, is convalescing. Miss Alice Gooch is on the sick list. Miss Cora Lanham was the guest of Miss Maud Lay.

The protracted meeting at the Christian church closed Sunday night with 12 additions. Revs. Manning and Ewers, who conducted the meeting, won much esteem from the people of this community by their zealous and consecrated efforts in this work, and it was with regret that we saw them leave us, probably never to return again. Their work has indeed been a spiritual blessing to this community. They will hold another meeting at White Cave, Ky., then after visiting Mammoth Cave, Niagara Falls and other places of interest in this country, they will sail for Australia, their native land, where they will take up their work. God will surely bless these devout and deserving men.

Last Sunday at 12:30 the soul of Mrs. James Dudderar took its flight into the realms of immortality. The transition from life unto death was peaceful and without apparent suffering, the demise being consistent with the life that this good woman lived. On Friday morning at 7 o'clock she was stricken with paralysis, from which she never rallied, having already survived two strokes. The taking away of this good lady has cast a gloom over the town, as she was highly esteemed by all who knew her, being a devout member of the Christian church. The aged husband and children have the sympathy of the entire community to comfort them in their great bereavement.

In the Knox Circuit Court Rice Gambrel was given a sentence of five years in the penitentiary on the charge of conspiring to kill John Gambrel, a cousin. A Laurel county jury tried the case.

### It Can't Be Beat.

The best of all teachers is experience. C. M. Harden, of Silver City, North Carolina, says: "I find Electric Bitters does all that's claimed for it. For Stomach, Liver and Kidney troubles it can't be beat. I have tried it and find it a most excellent medicine." Mr. Harden is right; it is the best of all medicines; also for weakness, lame back and all run down conditions. Best too for chills and malaria. Sold under guarantee at Penny's Drug Store. 50c.

Madisonville went "dry" Wednesday by 37 majority. The campaign waged between the local option advocates and the antis was warm.

### Choice Goods.

Pointed January, 1902; black with white points, 15 1/2 hands. Sired by Wonder 720 and out of Chennault Jennet 547. Wonder was sired by Belknap, he by Imported Belknap. Choice Goods' dam is by Jumbo, imported. He was bred by Charles Chennault, of Rogana, Sumner county, Tenn., and is a great individual. He won the blue tie in the sweepstake ring at the state fair at Nashville and has many more blue ties to his credit. See Choice Goods before you breed. He will serve Jennets at \$20 and Mares at \$10 to insure living colts.

Will stand two other Jacks at \$10 to insure living colts.

Will also stand the magnificent draft stallion, George Herr, at \$10 to insure a living colt. M. S. BAUGHMAN, Stanford, Ky.

### DON VARRICK.

This magnificent bred young stallion will make the season of 1908 at my place in Stanford, Ky., (better known as the Dr. Bailey place) at \$15 to insure a living colt. Don Varrick is a rich chestnut, 16 1/2 hands, snip in forehead, white feet above ankles behind, short back, excellent bone and fine muscles, just the type you are looking for to breed your mares. Don Varrick is by the great Onward Silver 2:05 1/2, that sold for \$21,000, he by Onward (one of the very best sons of George Wilkes). Onward was out of bolly and he more or less produced 2 such illustrious sons as Onward and Director. Onward Silver won the Transylvania in 1902 in a 7 head race, defeating such big names as the late Jay 2:06 1/2 and Chain Shot. The same year he won the Banner Memorial and Massachusetts in broken heats. Don Varrick's 1st dam by Wilkes Boy by George Wilkes and a full sister to The Wag 2:15 1/2; 2nd dam, Mary, by Boggs's Grey Eagle, the dam of Madeline Patchen, sired the dam of Rubber 2:10, Winchester 2:19 1/2, Billy Wilton 2:30 and Miss R. 2:23. This rich inheritance of speed and blood lines should appeal to the public who wishes to breed.

Mares kept at 10c per day. All care taken but will not be responsible for accidents or escapes. DR. G. G. PERRY, Stanford.

## Cough Caution

Never, positively never poison your lungs. If you cough—even from a simple cold—you should always heal, soothe, and ease the irritated throat. Don't blindly suppress it with a stupefying poison. It's strange how some things finally come about. For twenty years Dr. Shoop has constantly warned people not to take cough mixtures or prescriptions containing Opium, Chloroform, or similar poisons. And now—a little late though—Congress says "Put it on the books!" If you are in your cough mixture, good! Very good! Hereafter for this very reason, and others, should insist on having Dr. Shoop's Cough Cure. No poison marks on Dr. Shoop's labels—and none in the medicine, else it must by law be on the label. And it's not only safe, but it is said to be by those that know it best. Take no chance then, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and note the difference. No poison marks there! You can always be on the safe side by demanding

### Chester S.

This son of Chester Dare will make the present season at my barn 1 1/2 miles from McKinney on McKinney and Middleburg pike at \$10 to insure a living colt.

DESCENDANT AND PEDIGREE.—He is a black with star in forehead, 16 hands high, with all the style and finish characteristic of the Chester Dare family, a good acting horse and a proven breeder. See him before booking your mares if you are looking for a good breeder at living price. Sired by Chester Dare, 1st dam by Telegraph. 2nd dam by Hippie by Mambrino Chief.

### Chester Peavine 3184,

A. S. H. R.

In offering the service of this young stallion to the public I do not hesitate to say he is the best bred saddle stallion that will be offered for service in this county this year, as his breeding will show. Sired by Rex Peavine 1796, he by Rex McDonald 831. 1st dam Miss Madison 468, she by Chester Dare, 2nd dam by Peavine 85, more extended pedigree will be furnished on application. This stallion has the best blood of the saddle horse world in him. Both 2nd dams by Peavine 85, crosses twice to Black Squirrel, twice to Stonewall Jackson, once to Dave Akin 775. With the style and finish of Chester Dare, the stamina and action of Peavine, how can he breed wrong. His sire, Rex Peavine, produced three championship winners of last year in Edna Mae, Mattie Rose and May Day. See and breed to him if you want the best. Will serve a limited number of mares at \$25 to insure a living colt.

At the same time and place will stand three as good mule jacks as can be found in the country at the low price of \$5 to insure a living colt.

Money due with all the above advertised stock when colt is foaled or when mare leaves hands of owner at time of service, or bred to other stock. All care taken, but not responsible for accidents, but not responsible should any occur. Grass at reasonable price.

R. S. SOUTHER, McKinney, Ky.

THE trial of William Ward, a young grocer of Lancaster, for an assault upon County Attorney Joe Robinson, some weeks ago, resulted in a verdict of six months in jail and a fine of \$500. At the time of the assault, Ward was advancing upon Robinson with a leveled revolver, threatening to shoot, but was seized by bystanders.

FAIR time is almost upon us. The festive season will be ushered in next Wednesday when the Crab Orchard Fair & Racing Association will entertain for three days. The following week the Lincoln County Fair at Stanford will be the attraction; the next week the Lancaster fair will be on and then come the Danville and Harrodsburg fairs the same dates. The fair lovers and followers have a strenuous time before them for the next month.

WITH the jail full of illegal whisky sellers and other law breakers, Stanford should be made the cleanest town in the State. The majority of those sent to jail have work sentences and their time might be well spent in cleaning up Stanford from center to circumference. The creek should come in for a week or so of the work. It is in a very filthy condition and a genuine disease breeder. The crop of weeds also might receive attention from the chain gang.

THE whisky sellers are catching it now, we are glad to say. Our people have at last awakened to the fact that blind tigers are being operated here and they are taking the right steps to put them out of business. Jeff Bryant was fined \$150 and given 80 days in three cases of whisky selling. Will Lee was fined \$80 and given 35 days in one case and Mattie Fish caught it to the tune of \$80 and 20 days in jail in one case and was acquitted in another. Fields Salter was given \$20 on a compromise. All of the parties are Negroes. That the blind tiger operators have been reaping a rich harvest is shown in the fact that some of them had as many as three good lawyers to defend them, and none of the gang are ever seen to hit a lick of work. It is told that one of the big whisky sellers keeps a good account in a Danville bank.

AT the request of some of the devotees of skating, the rink will be open to-night.

BASEBALL, Reds vs Boston, Sunday, 12th, excursion via the Q. & C. route to Cincinnati.

THE county and State took cognizance of the Anderson Carr case yesterday. It will be remembered that he was fined in Judge Tribble's court for having whisky in his possession and that the case was appealed. Carr's attorneys offered a compromise of \$50 and 50 days in jail in the county and State case and it was accepted. The jail sentence was suspended on his good behavior. Carr also got \$25 and 10 days in jail for carrying concealed weapons.

WE sincerely hope that the city officials will not let up in their effort to rid the town of vagrants. The fellows who hang around the street corners day and night should be made to show that they have visible means of support or put to work cleaning up the town. By all means make it hot for these worthless rascals, who must eke out an existence in some unlawful way. Put the vagrants in motion, whether they are black or white. One is as great a nuisance as the other.

HOLDAM.—After an illness of only a few days, Mrs. W. T. Holdam died at her home in the East End Sunday. Deceased was a native of Zanesville, O., but had lived at the place known as Holdam's Mill all her married life of about 36 years. She had no children but had raised two girls, one of whom has long since married, and the other, Miss Florida Gover, aged 17, whom she raised from infancy and who was with her when the end came. Her husband survives her and he and the adopted children have sustained an irreparable loss in the death of this good woman. She was a consistent member of the Christian church and a great stay in the community in which she lived and will indeed be missed. After funeral services at her late home by Eld. J. G. Livingston, the remains were conveyed to Crab Orchard cemetery and laid to rest to await the resurrection morn. Great sympathy is felt for the husband and the two orphaned girls. May He Who doeth all things well give them grace to bear their affliction.

LOTS of free attractions at the Lincoln County Fair at Stanford July 22, 23, 24.

LOST, in Stanford, a gold cuff button with "J. C. C." engraved. This office.

FIVE per cent. penalty added to Graded School tax after Aug. 6. L. R. Hughes, treasurer.

It will brace you up. \$1 bottle of Celery, Nerve and Blood Tonic for 75c. New Stanford Drug Co.

THE Stanford fair will hold the boards July 22, 23, 24. Make your arrangements to attend it.

RAIN is badly needed and if there is not a downpour in the next week the corn crop will be materially hurt.

JAKE WILSON caught a fine of \$37 in Squire D. R. Adams' court at Highland. He was charged with disorderly conduct.

MISS ROBERTA O'BANNON will begin school at Mt. Xenia next Monday, 13th, when she hopes all of the pupils will be present.

CASH.—Mr. H. H. Cash, who moved to Augusta, Kansas, from Lincoln county several years ago, died there July 2. He was a relative of Mr. John F. Cash, of this city, and a clever, honorable man.

WE can send you the Courier-Journal or Louisville Times from now until Dec. 1 for \$1.25. This offer is good only for INTERIOR JOURNAL subscribers and money must always be accompanied by the order.

HARD TO KILL.—Mr. W. H. Traylor told us yesterday that a three-year-old steer belonging to him fell over a cliff, nearly 250 feet high, on his place and that the animal is living and may get all right. None of its bones are broken that he can find. The steer weighed 1,600 pounds.

NOTE.—Almont Dare, so far as we are able to discover, is the first horse on record having to his credit the honor of defeating with his own progeny, those of his great sire Almonty Dare, doing so last year every time coming in contact with them. As an individual this is a very attractive horse, standing 16 hands with great style. A beautiful bay with manners unparalleled even by a filly. A remarkable show horse in harness and under saddle. Shows 6 distinct saddle gait, all very fast and pleasant, with speed of a 3 minute clip in harness. One cannot conceive of a finer bred horse, tracing 22 times to imported horses, on his dam's side alone traces to Imported Messenger 4 times; Imp. Diomedes 3 times; to Imp. Buzzard 3 times; Imp. Glenco 2 times. Imp. Plator, Castinora, Florizel, Matchem, Flinnap, Blackfast, Traveler and others. This is a rare opportunity to breed to one of America's best at 15.

## A GOOD FARM FOR SALE!

I will sell privately my farm of 100 acres, two miles from Stanford, on Lexington pike; good brick residence; two good barns; two cribs and other necessary buildings; well watered; more than half in grass. Terms easy. Will give possession in October. Not sold by October will offer to highest bidder. JOS. BALLOU, Stanford, Ky.

Season of 1908.

**SAMPSON.**

This young jack will make this season at my farm where I live (the S. H. Baughman farm) 1/2 mile south of Stanford, near the Somerset pike, at \$10 to insure mare colts and \$5 to insure horse colts. I consider Sampson a great breeding jack. Last year's colts were extra. I showed two of them at Lancaster and Danville fairs and won both 1st and 2nd premiums in colts of 16 to 18 months at all three fairs. He won 1st in the sweepstake ring at Lancaster, the only fair that gave a sweepstake. Eight of his 100 colts and four of his colts are now on my farm to show for themselves. I will appreciate any mares sent to him and feel sure you will not regret sending.

J. H. BAUGHMAN, Stanford, Ky.

My fine mule jack, will make the present season at Moreland, Ky., at \$5 to insure a living colt. He is a sure foot getter and I consider him an extra good mule jack. His mules round up, with no fuss, right at 16 hands high. Also a fine black jack.

My Wilkes horse.

**Independence Chief.**

Will serve a limited number of mares at \$10 to insure a living colt. Independence Chief's 1st dam by Gambetta Wilkes with five producing dams and sired by Cecilian Chief.

B. R. K. NG, Moreland, Ky.

**Lincoln Squirrel.**

Red bay, 6 years old, black points, 16 hands high and full made, heavy mane and tail, good build, good looking eye and fine action. He is high mounted shoulders; a combined bred horse, but I use him only in harness and a more perfect harness horse I have never seen; can step very fast with extreme high action all around and I think him to be one of the best stallions in the State to breed to, to get good high-class trot and business horses that will bring you fair prices.

He has some yearling and two-year-old colts that I invite breeders to see.

**Pedigree.**—Lincoln Squirrel was sired by Marion Squirrel, 98, he by Black Squirrel, 18, he by Black Eagle, 74, he by King William, 67. Black Squirrel's grand sire is the sire of many noted high-class saddle horses, such as Highland Denmark, Chester Dare, Red Squirrel and many others. Will make the season of 1908 at my sale barn in Stanford at \$2.50 to insure a living colt. Money due when colt is foaled or mare parted with.

**Happy Brummel.**
